

2011 MSEA DELEGATE ASSEMBLY

NO. 4-PASSED

A RESOLUTION TO AMEND THE MSEA:

- ARTICLES OF INCORPORATION
- BYLAWS
- DUES SCHEDULE
- CONTINUING RESOLUTIONS

Be it resolved by the Delegate Assembly of the MSEA that each MSEA bargaining unit that decides to assess unit dues pursuant to the MSEA Unit Treasury Financial Code of Standards has the option to select one of four annual unit dues schedules, namely:

- Option A: \$ 6.00 per member and \$ 5.10 per fair share fee payer
- Option B: \$12.00 per member and \$10.20 per fair share fee payer
- Option C: \$18.00 per member and \$15.30 per fair share fee payer
- Option D: \$24.00 per member and \$20.40 per fair share fee payer

Be it further resolved that MSEA will continue to assess unit dues at the current annual rate of \$12.00 per member and \$10.20 per fair share fee payer (same amount as Option B) for bargaining units that currently assess unit dues at that rate unless the unit votes to change to another of the four options using the provisions of the MSEA Unit Treasury Financial Code of Standards.

Be it further resolved, consistent with the MSEA Unit Treasury Financial Code of Standards, that MSEA bargaining units approving a change in the amount of unit dues must do so prior to June 1st in order for the change to take effect for the upcoming school year.

Be it further resolved by the Delegate Assembly of the MSEA that MSEA bargaining units with unit dues may not change their selected option more than once every three years.

RATIONALE:

The current unit dues schedule limits bargaining unit budgets for varying expenditures throughout the year, e.g., scholarships, negotiation stipends, board stipends, membership appreciation, or community charity donations. While some larger units may want to expend more funds on unit activities, other units or smaller units may need or want to expend less.
