Nominee **NONA BAUER** School District/Bargaining Unit **AUSTIN**  
has been a member in good standing since September 1993 .

I (we) nominate this individual because: (Note leadership qualities, positions held, activities and/or notable strengths in the performance of his/her job with your district or any other pertinent information. An additional sheet can be added.)

<input checked="" type="checkbox"/> Chief Steward	<input type="checkbox"/> Treasurer	<input checked="" type="checkbox"/> Negotiation Team
<input type="checkbox"/> Vice Steward	<input type="checkbox"/> Membership Steward	<input type="checkbox"/> Building Representative
<input type="checkbox"/> Secretary	<input checked="" type="checkbox"/> Delegate/Alternate	<input checked="" type="checkbox"/> MSEA Board of Directors

I would like to nominate Nona Bauer for the Sue Ezell award. Nona has worked very hard with our unit to make us more aware of the union, its rights and rewards as members. She is organized and very educated on all aspects of the union. She has demonstrated leadership and loyalty for us and has recruited a lot of us to be more active in our unit.

Nona is our chief steward, our mentor and our friend. If there is a problem, she works with us and our field rep to get to the bottom of the problem and she never gives up on us. She makes the works of the union simple to understand and she can be reached easily for help or to answer questions. I know I can rely on her for anything and for help when I'm trying to figure out the checkbook or rewriting a Bylaw!

If it weren't for Nona, I wouldn't be where I am today and as involved as I am with MSEA!

So please, let's award her with this great honor, not because she's been fighting cancer, but because she has been fighting for our unit and our rights with MSEA for many years! Thank you!
