<input type="checkbox"/> Secretary	<input checked="" type="checkbox"/> Delegate/Alternate	<input checked="" type="checkbox"/> MSEA Board of Directors

Carol Marchand is well deserving of the Sue Ezell Award recognizing her leadership role in Bagley over the past 27 years. I have worked with Carol and have known her both professionally and personally for most of those years. Without hesitation, I am recommending Carol because she epitomizes exceptional leadership, service and personal qualities.

Carol's leadership has taken on many roles. Prior to Carol's instrumental role in our Unit organizing, the school board handed out individual contracts which read as follows, "This contract can be terminated anytime without just cause". She took the initiative and had the stamina to help lead the way for Bagley to affiliate with MSEA. Carol has had many roles at Bagley Elementary. She has served as a paraprofessional for a handicapped child, Title 1 Paraprofessional, Bagley Unit's President and Chief Steward, Bagley's Negotiation Team, faithful Delegate to every Assembly, MSEA Board of Directors, and MSEA Vice President.

Carol's exemplified service and dedication are a testament to her commitment to excellence. She is hard-working, trustworthy and honest. Every area of Carol's life displays integrity as a central quality to whom she is. As a leader, she is effective, articulate, and gets the job done. As a result, Carol is respected by both co-workers and the staff with whom she works. Overall, she is one class act.

I am honored to recommend Carol Marchand for this Award and to have had the privilege to work along side her for many years.
